Happy Well-being Wednesday!

Our new Well-being logo

Keep an eye out for this logo around our school. If you see one in windows or on a door, this is a safe place you can go.

We are here to support you ☺

The logo represents everything we believe in. How many things can you spot? How does it link to the 'Bounce back' logo?

Happy Well-being Wednesday!

Next Wednesday (6th Oct) we have our first monitoring visit for the Well-being award.

They will be doing a tour of the school, so please look out for us and be friendly if they ask you a question.

1. Do you have any suggestions of how we can improve the well-being within our school?
2. How is your well-being? Are you feeling low and feel you need to speak to someone? We are always here for you!
