Dear Parent

Re: Feedback to the Wellbeing Award Questionnaire

Thank you to everyone who has taken the time to complete the Wellbeing Award questionnaire. We really appreciate your thoughts and they will help us to improve our school. Each question was linked to an objective from the award. You will be able to see from the attached presentation, a summary of the results and how we have already started to work on the improvements.

We have our final verification visit from our advisor on Tuesday 8th November, where we will present to her our journey to becoming a wellbeing school, including the impact over the past 15 months. We will inform you as soon as we know the result of this visit.

As in previous information sent home, we update our website and social media sites to keep you informed of our journey:
