

June 2021

Dear Parents of Year 11

It has been an absolute pleasure to have Year 11 with us these last five years and we very much hope they are feeling proud of all their efforts in the last few weeks in providing evidence for their final GCSE grades. Now all assessments are complete, we are in a position to provide you with a copy of the evidence that will be used in each subject to formulate an overall grade. You will see from the attached list that there is no set number of pieces of evidence and some subjects may have used longer but fewer pieces of evidence whilst others may have used shorter more frequent assessments. This has been left to the discretion of the subject and the advice they have had from the exam boards. You will also notice that subjects such as Art, Photography and Textiles are purely coursework based so their evidence is their coursework portfolio. I really hope that you find this information helpful.

As a reminder, all the information we have sent home can be found at the link below.
<https://www.regentsparkcollege.org.uk/parents/year-11-centre-assessed-grades-2021/>

When the results are released on Thursday 12th August, we very much hope you won't be in the position of needing to make an appeal as you will find them to be a true reflection of what your child has achieved during their journey with us. However, if you do wish to appeal, this can be done from Thursday 12th August to Thursday 19th August. All appeals must be completed in writing for my attention. Our role this summer in facilitating appeals will be first to see if there has been an administrative error then, if there hasn't, appeals will be handed directly to the exam boards who will assess whether the appropriate grade has been awarded.

I will write to you before we break up for the summer holidays confirming arrangements for results day on Thursday 12th August.

If you have any questions please contact the school in the usual way and the appropriate person will get back to you.

Yours faithfully

Mr P Jones
