Supporting Students

My child has been supported in returning to full time education post-Covid.

124 responses

We are pleased that 91% parents agree with this statement. We know that the post-Covid journey still has some way to go, so we will continue to support our students with academic catch up and their wellbeing.

Students' Happiness

My child is happy at the school.

124 responses

We are pleased that 86% parents agree with this statement but will work to make this even higher. We are aware that mental health has become more of a struggle post-Covid, so we have a full time school counsellor starting in September.

Challenge

Behaviour

The school deals well with poor behaviour.

121 responses

Returning to full time schooling has proven challenging for some students so we are proud that almost 80% parents think we deal well with poor behaviour. We will continue to have the highest expectations and work with students whose behaviour does not meet these.
