

## Update on Actions Taken as a Result of Summer Term Questionnaire

Our parents said...	Actions taken since!
... unsure what extracurricular activities are available...	These have been promoted more widely in school and online. This will be part of our ongoing improvements.
Comments about the quality of school catering	These have been shared with City Catering and form part of ongoing discussions. We will continue to improve the standard of onsite food.
Some Year 11s and 'middle of the road' students don't seem to be getting as many achievement points.	All staff have been made aware of this and encouraged to ensure achievement points continue to be distributed to Year 11s. They have also been directed to make sure achievement points are being given out fairly. Pastoral Assistant Headteacher monitors the number of achievement (and behaviour points) given out by staff and departments and this data is shared at line management meetings.
